

Is The Stress Of Modern Day Life Starving Your Skin Of Nutrients?

Bring The Glow Back To Your Skin
With An Intensive Skin Revival Program...

Environmental Recovery Program

Your skin suffers every day from environmental pollution. Our specially designed skin recovery package will give your skin an intensive revival and reduce the oxidative stress your skin suffers due to the modern day environment:

Session 1

Enzyme treatment & Max7 LED treatment

Value: $\$165 + \$65 = \$230$

Session 2

Acid mantle recovery & Max7 LED treatment

Value: $\$149 + \$65 = \$214$

Session 3

Enzyme Treatment & Max7 LED treatment

Value: $\$165 + \$65 = \$230$

Plus, continue your skin revival at home with a FREE environmental skin food kit valued at \$99!

Total Value \$795 • ONLY \$549 • Save \$225!

The logo for Skinology features the word "Skinology" in a white, elegant cursive font. A green leaf-like graphic element is integrated into the letter "o", extending upwards and to the right.
